Dear President Trump, Thank you for your stand for constitutional law and your great leadership. I have prayed for you and your family's safety. Abortion is a crime. Those who helped make murder "legal" are in violation of God's law, "You shall not murder" and the law of the land.

Roe v. Wade was a crime. The seven justices on the US Supreme Court who voted to authorize murder of the unborn are guilty of being an accessory to the murder of helpless and innocent human beings.

Since 1973, there have been

62 million surgical abortions  
255 million chemical abortions  
312 million total abortions

All who actually murder babies, those who facilitate the murder and those who support it are guilty and should be brought to justice ASAP. If another nation murdered this many of our people, we would retaliate.
